Terms of payment

GSCI will provide each applicant an offer based on the submitted data in the application. When signing the contract, the operator agrees to the offer and 100% of the estimated costs must be paid in advance at the time the order is accepted. Terms of payment are 10 days from date of invoice.

If the contract is terminated for any reason up to 10 days prior to the audit, 50% of the pre-paid costs will be refunded. No deposit will be refunded for later cancellations.

For additional audits and additional testing, the client will receive a notice with the invoice which must be paid within 4 weeks. Additional audits which follow major non-compliances, complaints or investigations are invoiced before the additional audit and shall be paid at once.

Randomly selected unannounced additional inspections are free of charge.

If fees are changed or when changes occur on the operator's side, a cost estimate for the annual renewal of certification will be sent to the operator. If no fee changes occur, payment orders will be sent out. The due time for payment will be indicated and enforced.

Fee amounts are non-refundable.

All above prices do not include VAT.
